

## 4/42 Shandon Street MORNINGTON VIC

2 1 2

Situated in sought after Beleura Hill location and only a stones throw from the local shopping strip this tastefully renovated unit is within walking distance of Mornington's cosmopolitan Main St and magical Mills Beach. This classically-styled, two-bedroom unit sits quietly to the rear of a boutique complex of just four.

This is perfect beachside living at it's best with the 784 bus stopping out the front and the best of Mornington's enviable seaside lifestyle within arms' reach.

With pedestrian access shaded by a line of glorious mature Robinia trees, the home's elegant facade gives way to generous open-plan living, while a private courtyard allows for relaxed entertaining.

A model of efficiency, the kitchen offers, gas cook top and dishwasher, while a neat laundry sits to the side.
