Soothed by an impressive parkland garden setting only moments from Mount Eliza's most desired shorelines, this private 4-bedroom residence reflects every family desire with an unexpected pairing of entertaining prowess and recreational refinement.

Crowned by a solar heated (gas boosted) swimming pool and spa, a sumptuous interior with a fluid indoor-outdoor design opens to the heart where a sun-drenched alfresco courtyard balances a wet bar/outdoor kitchen, sauna and steam room, intimate courtyard with fireplace, citrus orchid and outdoor powder room. Capturing treetop views and garden splendour, clever glazing brings natural light across both formal and informal living zones, an open dining space and home office.

Rich earthy textures of timber and red brick
